

Nadin Al-Jariry, EIT

Date of Birth	August 19, 1995	Gender	Female	Nationality	Jordanian
----------------------	-----------------	---------------	--------	--------------------	-----------

EDUCATION

September 1, 2018 – July 8, 2020	Erasmus Mundus Master in Membrane Engineering for a Sustainable World (EM3E-4SW) University of Zaragoza  Zaragoza, Spain Master's degree, Nanoscience and Nanotechnology (Membrane Engineering) University of Chemistry and Technology in Prague  Prague, Czech Republic Master's degree, Membrane Materials and Process Engineering Université Toulouse III - Paul Sabatier  Toulouse, France Master's degree, Process Engineering and Bioprocessing (Membrane Engineering)
June 23 -28, 2019	The University of Edinburgh  Edinburgh, Scotland 36 th European Membrane Society Summer School focused on “Membranes for a Sustainable Future”
August 2013 – December 21, 2017	American University of Sharjah (AUS)  Sharjah, United Arab Emirates (UAE) Bachelor of Science in Chemical Engineering (ABET accredited) Minor in Petroleum Engineering - Cum Laude Honors, cGPA: 3.57/4.0 Passed the Fundamentals of Engineering Exam (FE) - April 10, 2017
July 17, 2017- August 4, 2017	Birmingham City University  Birmingham, United Kingdom International Summer School, a multi-cultural experience

WORK EXPERIENCE

February 3, 2020 – August 31, 2020	FUJIFILM Manufacturing Europe B.V.  Tilburg, Netherlands <i>Research and Development Intern</i> Conducted my master's thesis research on the development of advanced electrochemical characterization techniques for ion-exchange membranes: <ul style="list-style-type: none"> • Launched the electrochemical impedance spectroscopy testing method. • Optimized operating conditions and standardized two electrochemical methods. • Automated a rather complicated data analysis procedure.
May 24, 2017 – July 6, 2017	Abu Dhabi National Oil Company (ADNOC) Onshore  Abu Dhabi, UAE <i>Process Engineer Intern</i> Worked with a Senior Process Engineer on the Concept Design of a project that aims to increase the oil production of ADNOC Onshore. <ul style="list-style-type: none"> • Designed an excel sheet to automate and speed up sizing of horizontal three-phase separators based on Shell's Design and Engineering Practices. • Consolidated production profiles obtained from reservoir engineers, for 16 wells. • Accelerated the project by conducting essential process simulations on Aspen Plus and PIPESIM.
May 29, 2016 – August 25, 2016	ADNOC and ADNOC Offshore  Abu Dhabi, UAE <i>Production Engineer & Process Engineer Intern</i> Collaborated with production and process engineers working on a water injection enhancement project and on the Engineering, Procurement and Construction of a project for the development of a new offshore oil field. <ul style="list-style-type: none"> • Organized the shutdown activities for 101 wellhead towers, which resulted in saving the time of the production team. • Completed a training course on Aspen HYSYS.

PROFESSIONAL AFFILIATIONS

March 2019 - Present	Member of the European Membrane Society (EMS).
Dec. 2018 – April 2019	Member of Toastmasters International.
Sept. 2017 - Present	Elected as a member of the Engineering Honor Society at AUS.
May 2015 - Present	Member of the Society of Petroleum Engineers (SPE).
April 2014 - Present	Member of the American Institute of Chemical Engineers (AIChE).

VOLUNTARY AND TEAMWORK ACTIVITIES

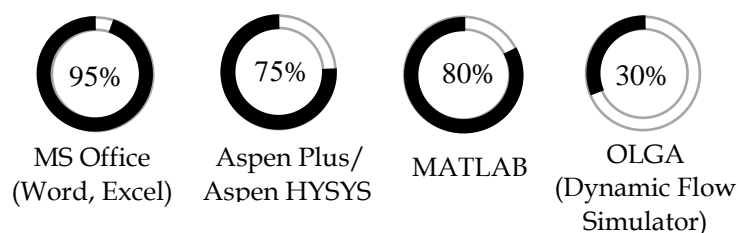

May 2019 – Present	Journal of Food Chemistry, ELSEVIER <i>Elsevier Reviewer</i> Review manuscripts submitted to the journal.	📍 Online
January 2017 – December 2017	Kenyan Cultural Club, American University of Sharjah <i>Treasurer / Public Relations</i> Responsible for the club funds and promoted cultural awareness.	📍 Sharjah, UAE
March 2017 – October 2017	ChemME Committee, Middle East Process Engineering Conference (MEPEC) <i>Chair of the Technical Debate Competition</i> Chaired regular online meetings with a diverse team for the organization of the Technical Debate Competition, which was held at the Middle East level.	📍 Kingdom of Bahrain
August 2016 – December 2016	Innovators Club, American University of Sharjah <i>Executive Secretary</i> Accountable for arranging board meetings and the club communications. Club won award of the best Interest Oriented Club for Fall 2016 at the AUS Club Fair.	📍 Sharjah, UAE
August 2015 - December 2015	Student Leadership Program (SLP), American University of Sharjah <i>Peer Leader</i> Led freshmen students through their first academic year.	📍 Sharjah, UAE

HONORS AND AWARDS

May 23, 2019	Awarded the EMS Travel Award to attend the 36 th EMS Summer School focusing on “Membranes for a Sustainable Future” at the University of Edinburgh.
August 2013 – June 2017	Placed on the Dean’s List of AUS for six semesters. Also, placed on the Chancellor's Distinguished List of AUS for two consecutive academic years.
April 26, 2017	Won bronze medal in a swimming tournament, as part of AUS Olympics.
November 15, 2015	Won first place in the Engineering Ethics Competition held at AUS by the Debating Society and the IEEE Student Chapter.
December 15, 2013	Won sixth place in the Introduction to Engineering course’s competition, held at AUS, which involved 560 engineering students (112 teams).
August 2013	Awarded the Sharakah School Scholarship to pursue my bachelor’s studies at AUS.
